

DPS APPROVED TRAINERS

New Wrecker License applicants should contact their nearest trainer to schedule a class if there is not a current 16-Hour class available.

This is the current list of trainers that have been approved by Department of Public Safety Wrecker Services Division. They have been qualified to instruct the classes that have been designed to meet required continued education hours for all class wrecker operators. Contact your nearest trainer if interested in scheduling or attending a class.

Possible classes available:

- 16-Hour Wrecker Operator course (including TIMs training)
- 8-Hour Wrecker Operations (including TIMs)
